**INDEPENDENT AUDITORS' REPORT**

To the Subscribers of **ARM Retiree Fund**

The accompanying balance sheet as at 31 December 2010 and the income statement for the year then ended, are derived from the audited financial statements of ARM Retiree Fund ("the Fund") for the year ended 31 December 2010. We expressed an unmodified audit opinion on the financial statements in our report dated 30 March, 2011.

The accompanying balance sheet and income statement do not contain all the disclosures required by Statements of Accounting Standards applicable in Nigeria, the Pension Reform Act of Nigeria, and other relevant National Pension Commission circulars applied in the preparation of the audited financial statements of the Fund. Reading the accompanying balance sheets and income statement, therefore, is not a substitute for reading the audited financial statements of the Fund.

In our opinion, the accompanying balance sheet and income statement are consistent, in all material respects, with the audited financial statements of ARM Retiree Fund for the year ended 31 December 2010 from which they were derived.
